Date: 20th April 2020

Dear Parents & Carers,

I hope you all had a healthy and restful Easter break and welcome to our very first remote summer term!

I am so impressed by how amazingly all of our school community has responded to these changes without very much warning at all. Truly fantastic and thank you!

At the moment times are very challenging and extremely strange. We are very aware of how difficult this situation is and do not want to add any further stress to households.

Please do what you can when it works for you and your family. The most important thing is that our families are safe and well.

If your home circumstances have changed at all and you are facing additional challenges, then please do let us know. If you require additional help we will do everything that we can to support you, do not struggle alone.

Mrs Payne, our attendance officer, will contact families eligible for provision at school every Monday to ask you if you want your child to attend school during this time. I would like to reassure parents that school are following all public health guidance to ensure school is a safe place to be and I would ask you to consider using this provision.

We all miss our students very much, but we must follow the Government's guidance to keep everyone in our community safe. So, we're carrying on with children learning through our website or the packs that you have been posted out. We would really like it if you could email into us pictures of the work and activities you have been doing. We can update the website and Twitter with home learning news as well as what we are doing on a weekly basis in school. Please email your pictures into admin@oakfieldlodge.cheshire.sch.uk

The teachers will continue to upload activities and check in with you at home, please do let them know that your family are safe and well, otherwise they do get worried. Just pop them an email or give us a call, if we don't hear from you for a while we will get in touch and ask if everything is ok. If you are learning at home and want any help and support, or just to have a chat about any worries they may have please give us a call at school (01270 685626) or email us.

We are unable to say when school will open again at the moment and are following the Government guidelines, as and when we know any further information we will be in touch again.

Oakfield Lodge School

There are many uncertainties for us all at the moment, but we must remain positive as much as possible and be thankful for the people around us. We look forward to our classes and corridors being full of learning and laughter once again in the very near future.

Yours faithfully,
