

Visyon Parent/Carer Webinars

Our parent/carers webinars have proved very popular and we have now planned a new timetable of webinars, which are intended to offer information and ideas to help you in supporting your child with understanding and managing their emotions and wellbeing. These are open to parents/carers or other interested family members.

The webinars are delivered as a presentation on Zoom. As a participant you are not connected via video or audio but may interact or ask questions using the typed chat function. You may only want to attend the session which is most relevant to you or you might find all useful, although there will be some overlap between the sessions.

The forthcoming webinars are:

Tuesday 17th November 10-11am Building Resilience and Self Esteem
