INTRODUCTION

The management committee of Oakfield Lodge School is committed to providing quality education for all its pupils, based on equality of opportunity, access and outcomes. They recognise that, nationally, there is considerable educational underachievement of children in residential and foster care, when compared with their peers, and is committed to implementing the principles and practice, as outlined in DfEE Circular 0269/2000 and DfEE/DOH Guidance 2000. The Guidance recognises the collective responsibility of local authorities and schools to achieve good parenting and sets out six principles:

- prioritising education;
- having high expectations;
- inclusion – changing and challenging attitudes;
- achieving continuity and stability;
- early intervention – priority action; and
- listening to children.

The Guidance introduced two key measures, in order to improve multi-agency co-ordination and improve educational life chances for Cared for Children

- Designated Teachers for every school.
- Personal Education Plans for all Cared for children

This governing body is committed to ensuring that Designated Teachers and staff are enabled to carry out their responsibilities effectively. Although cared for children would not usually be placed at Oakfield Lodge School, there may be students on roll who become cared for during their time at the school.

ROLE AND RESPONSIBILITY OF THE DESIGNATED TEACHER

The Designated Teacher should:

- be an advocate for Cared for Children;
- ensure that a Personal Education Plan is completed, as soon as possible (at least within 20 days of entering care or joining a new school). This should be prepared with the child and the carer, in liaison with the social worker and other relevant support workers/agencies, and be linked to the Care Plan meetings, where in place. Where appropriate, the PEP should take account of any Individual Educational Plan (IEP), Pastoral Support Plan (PSP), Individual Behaviour Plan (IBP), career plan or any other relevant plans. The PEP should inform and be reviewed, concurrently with the Care Plan, ie: within 28 days, 3 months and 6 months and, at least, every 6 months;
- keep PEPs and other records up to date, particularly in time to inform review meetings;
- Ensure baseline assessment form is completed
- Ensure that each Cared for child has an identified member of staff that they can talk to (this should be based on the child's wishes and may not necessarily be the Designated Teacher);

- co-ordinate support for the child in the school and liaise with other professionals and carers as necessary;
- ensure staff receive relevant information and training and act as an advisor to staff and governors;
- ensure confidentiality for individual children and only share personal information on a need to know basis;
- provide written information to assist planning/review meetings and ensure attendance as far as possible;
- ensure that the child and carer(s) receive early notification of meetings, parents evenings and other events and that communication remains regular and positive. The Home School Agreement may be adapted to take into account any specific points around communication, transport arrangements and consent signatures;
- encourage Cared for Children to participate in extra-curricular activities and out of hours learning, where feasible;
- ensure speedy transfer of information between individuals and other relevant agencies and to a new school if and when the child transfers;
- seek urgent meetings with relevant parties where the child is experiencing difficulties and/or is in danger of being excluded.

Our Designated teacher for Cared for children is Tracey Chambers.
