

Dear Parents/Carers,

It was amazing to see so many of you at the open evening this week. Evenings like, this provide us the chance to showcase all the work your children are doing. If missed it, please get in touch, so we can arrange a different day for you. One more week to a serene half term break!

Hot topics:

- ❖ New Parent/carer survey now live. Please fill it out if you have not done already.
- ❖ In September we raised awareness of cancer charities in memory of our friend and colleague, Paul Lomax, who sadly lost his battle with cancer during the summer holidays. Paul had been at Oakfield Lodge for over 7 years and developed great relationships with both students and staff. He had a great deal of life experience, knowledge and a wicked sense of humour that made him an invaluable asset to the Oakfield family. He is greatly missed by us all. Students donated £40 to Cancer Research after their sponsored walk around Brereton Nature reserve.

Safeguarding support:

- ❖ We have been awarded a Mental Health Bronze Award!
- ❖ With the rise of vaping cases, we thought we would share the following support. From the school health team: The **Your Lifestyle Prescription** Cheshire East resources [Your lifestyle prescription \(cheshireeast.gov.uk\)](http://Yourlifestyleprescription(cheshireeast.gov.uk)) are a great addition when supporting people to make changes to start to feel healthier and happier:
 - ❖ Stop smoking
 - ❖ Reduce alcohol
 - ❖ Improve mental wellbeing
 - ❖ Enjoying nature and get active
 - ❖ Eat well
 - ❖ Improve sleep
 - ❖ Connect with your community

Upcoming dates:

- ❖ 21/10/24: Mock exams.
- ❖ 25/10/24-5/10/24: Half Term.

Kind regards
Mr Sparkes-Lee

Safeguarding Manager &
Deputy Safeguarding Lead
